SALT LAKE CITY, UTAH

Temple Square is Salt Lake City's main attraction, dedicated to the city's founding religion, the Mormon church. See renowned architecture, or take a trolley tour to capture great photos of the four-hectare square and other city sites. Stroll the free botanical gardens and arboretum at Red Butte Garden. Experience Utah's famous powdery snow at Wasatch National Forest, or venture to the high-speed bobsled ride at Utah Olympic Park, where you might see Olympic athletes training. A visit to Great Salt Lake in the summer is a must; the water is so salty, you can float right on top.

GRAND TETON NATIONAL PARK, WYOMING TO YELLOWSTONE NATIONAL PARK, MONTANA/WYOMING/IDAHO

38 minutes / 48km

The John D Rockefeller Memorial Highway links Grand Teton National Park to Yellowstone National Park. Stretching more than 3,500 square miles (9,605 square km) and three states, Yellowstone National Park, the USA's first national park, sits atop a volcanic hot spot that creates impressive geothermal activity. Bring a lunch, grab a seat and eat while waiting for the next eruption of Old Faithful, a geyser that spews hot water approximately 17 times a day. While there, stop in the historic Old Faithful Inn, believed to be the world's largest log structure, which

was built in 1904 from local materials. While exploring the park, stay on the marked boardwalks and trails to see other natural wonders, such as hot springs, geysers and pools. You're likely to encounter wildlife – including wolves, elk, bison, bear and moose – during hikes or mountain bike rides on one of the park's many backcountry trails. This park is so vast and has so much to see that one night is not sufficient, so plan on a longer stay.
